CORDIALLY INVITE YOU AND A GUEST TO THE GRAND OPENING OF

WATER | WAYS

SATURDAY, AUGUST 24, 2019

2:00 – 4:00 P.M.

“Water/Ways” explores the endless motion of the water cycle—water’s effect on landscape, settlement and migration, and its impact on culture, politics, spirituality and history. “Water/Ways,” which will be on display at Long Library between Aug. 16 and Sept. 29, marks the first time that a traveling exhibit from the Smithsonian’s Museum on Main Street program has ever visited New York state.

No RSVP is necessary for this free reception, and refreshments will be served. All are welcome.
