For Immediate Release
January 9, 2020

*Cayuga County Conservation District Holds 49th Annual
Spring Tree Seedling and Groundcover Sale*

The Cayuga County Soil and Water Conservation District will be holding their 49th Annual Spring Tree Seedling and Groundcover Sale. As in the past, the District is offering a variety of New York grown conifers, hardwoods, shrubs, and groundcovers. These seedlings, transplants and other plants are a very low-cost way to prevent erosion, improve water quality in our lakes and streams, to promote wildlife in your area, as well as create noise and visual buffers, and both snow and wind breaks. The Conservation District will be taking orders through Tuesday, April 28, 2020. The pickup date will be Friday, May 8, 2020. Supplies are limited, so order early for the best selection.

To get an order form and description brochure, call the Cayuga County Soil and Water Conservation District at (315)252-4171, ext. 3, or stop by our office located on County House Road in Sennett. We are available Monday - Friday from 7:30 AM - 4:00 PM. Order forms and on-line ordering are also available at our website: <http://www.cayugaswcd.org>
